

PARK PLACE BENCH WITH BACKREST

Park Place family is a best seller for a reason. They are durable furniture with good sitting comfort and designed to withstand harsh nordic conditions. The wooden parts are high density nordic pine with five standars colors. Inclusive Park benches are free standing but can also be bolted to the ground or deep mounted with optional anchoring set nr 708106 without concrete. As an option you can add steel handrests (nr 908720-205*) to the bench ends or in any other location in the bench by free choice. (*grey)
