

# PUMPTRACK S

S size pumptrack is the shortest track and convenient for many areas. Space needed for the track is 6400 mm x 16200 mm. Length of the track is 36 m. All Lappset pumptracks are 1 meter high. Oval shape is used for basic training and driving and is easy to access. Oval shape inspires to take different lines and sections to enable the rider to generate speed and change direction.
