Dex Box

The irregular shape of Dex Box provides a large variety of functions and makes it part of the unique and unified look of Dash Parkour product line. Along with other Dex equipment the Dex Box offers very intuitive ways to do landings, take offs and foot placement drills. The rail on top is good for balancing and even for small cat leaps for kids. Watch a wide selection of parkour techniques performed on Dash Parkour equipment. The playlist showcases how the products can be used in versatile ways: Watch the videos here.
