

Rail Corner Low

The low Rail Corner contains vault, jump & landings and balancing functions. The vault height is best suited for children and youth. Compared to a single rail, the two rails combined create variety and give the product a personalized look and feel. All Dash parkour rails are made of galvanized steel pipe. Watch a wide selection of parkour techniques performed on Dash Parkour equipment. The playlist showcases how the products can be used in versatile ways: Watch the videos here.
