Rail Square

Rail Square is the next level of Rail Line. It offers safe balancing, jumping and precision functions and intuitive loop for balancing drills and games. Other equipment placed next to it or even in the middle of it increase the number of functions and movement combinations. All Dash parkour rails made of galvanized steel pipe. Watch a wide selection of parkour techniques performed on Dash Parkour equipment. The playlist showcases how the products can be used in versatile ways: Watch the videos here.
