Vault LU

Vault LU is made for vaulting and underbars. The L-shape provides directional versatility and invites to continue movement. The wall height is perfect for vaulting for youth and adults. Vault products have other functions as well such as balancing, take offs and landing and wall techniques, especially when combined with other products. The product always comes with mural and inner wall colouring with creative shapes. Graphics give the creative look which is characteristic to the whole Dash Parkour series. Watch a wide selection of parkour techniques performed on Dash Parkour equipment. The playlist showcases how the products can be used in versatile ways: Watch the videos here.
