

The lowest Base in Dash Parkour is a fundamental obstacle for parkour training with easy landings, vaults and rolls over a wider obstacle. The top surface is slightly inclined which makes it look inviting and inspirational. The surfacing provides perfect friction for parkour training regardless the weather conditions. Watch a wide selection of parkour techniques performed on Dash Parkour equipment. The playlist showcases how the products can be used in versatile ways: Watch the videos here.

Product length, mm	1825
Product width, mm	745
