

This extraordinary parkour element truly shows the strenght of Dash parkour product line: simple forms put together to provide a ton of stuff to do. Base Pile's core functions are vaults, pop-vaults, jumps, landings and wall techniques. Maze-like structure inspires to train parkour and also initiates games and play with parkour type of movement. The design and inner wall colouring give it the creative look which is charasteristic to the whole Dash Parkour series. Watch a wide selection of parkour techniques performed on Dash Parkour equipment. The playlist showcases how the products can be used in versatile ways: Watch the videos here.
