

Base Double M

This combination of two Bases offers a large variety of wall techniques thanks to different wall heights and different angles between obstacles. Besides wall techniques Base Double M suits for swinging and hanging movements, underbars and climbing. The mural / inner wall colouring with creative shapes give it the creative look which is characteristic to the whole Dash Parkour series. Watch a wide selection of parkour techniques performed on Dash Parkour equipment. The playlist showcases how the products can be used in versatile ways: Watch the videos here.
