

Cage L takes the variety of the bar functions to the maximum level. The functions are hanging, swinging, underbars, and vaults, precision jumping and balancing features for advanced users. Other equipment can be placed within a jumping distance from the cage thanks to lower rail section which reduces the required safety zone around that end of the structure. Watch a wide selection of parkour techniques performed on Dash Parkour equipment. The playlist showcases how the products can be used in versatile ways: Watch the videos here.
