

S1 is a small category spot including the following products: Base Double S1, Base Double S2, 2 x Vault L, 4 x Vault M, 2 x Vault S, 2 x Dex Box. This spot is amazing! It's got all the basic functions covered, it suits for all age groups and the product placement is genius. Maze-like design and feeling invites to jump in and train and play games. Because what is better than amazing equipment, is amazing equipment placed in a way that creates intuitive movement combinations. This category spots have no high obstacles fitting well for smaller kids as well as youth and adults. Ground markings enhance the unique look and the functionality in training basic jumps and landings.
