Playground equipment for younger children, including steps, tunnel and a 870 mm high platform, and a low slide. Safe and durable, it develops small children's motor skills. An updated version of the traditional slide, which is every child's favourite year after year. The frame top is made of laminate and pine.

User age	1+
Number of users	6
Product length, mm	3830
Product width, mm	1890
