# Activity Tower

Play panels *1*

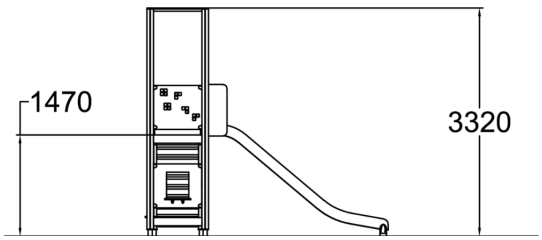

Roofs *1*

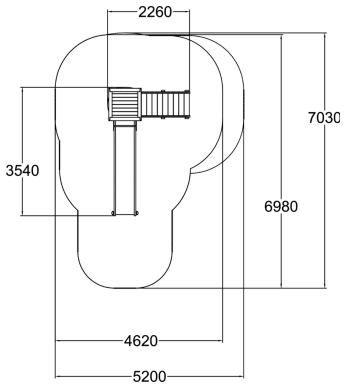

Slides *1*

Towers *1*

A tower for games with a slide and hut. The high (1,470 mm) tower can be accessed by ladders, and the exhilarating descent at high speed is via the slide. The space beneath the tower with its kiosk window, counter and two benches provides ample room for playing shop games. Role-playing games give children an opportunity to experience feelings and to develop their social and communicative skills.
