This playground equipment comprises a sandbox and a hut with a saddleback roof. A wooden sandbox with clean lines, 2,100mm x 3,150m in size. With its wide side walls, this sandbox offers children an opportunity to test their balance and provides a comfortable seat for adults. The hut consists of a kiosk window, a seat and a roulette wall outside the hut. The sandbox offers children a good opportunity to use their imagination and improve their three-dimensional perception. Role-playing games give children an opportunity to experience feelings and to develop their social and communicative skills.
