Bird's Nest Swing

Swing with basket type swing seat. The shock-absorbing membrane cover of the steel-framed seat is finished with a weatherproof and UV-protected rope which is tightly twisted onto the frame. The basket of the seat is made of high-quality steel-reinforced rope. The spacious and comfortable seat is easy to get on and off, thanks to the sturdy frame and dense mesh. To ensure that everyone can access the product, please place it so that the surface is hard enough for independent or assisted access.
