137770M
Skyline Town

Climbing *4*

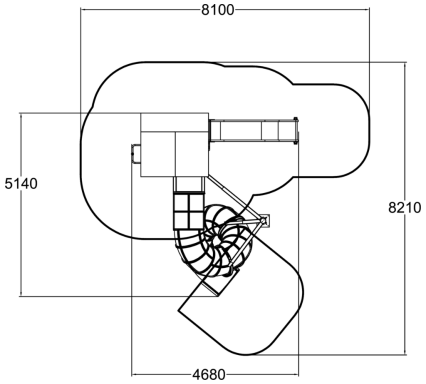

Roofs *1*

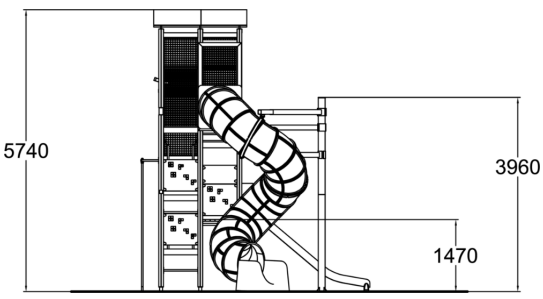

Slides *3*

Towers *4*

One of the best features of a playground is a tower where you can climb up to see the surroundings from a birds' perspective! This nearly six meters tall tower offers the view safely behind the metal mesh walls. The exciting rope net floor, see through wall panels, tube slide and many more features in this landmark will make long lasting memories to everyone! Choose the colours of the laminate wall panels and the posts to match with your design!

User age	2+
