One of the best features of a playground is a tower where you can climb up to see the surroundings from a birds' perspective! This nearly eight meters tall tower offers the view safely behind the metal mesh walls.The see-through floor and wall panels, big tube slides, activity panels and many more features in this landmark will make long lasting memories to everyone! Choose the colours of the laminate wall panels and the posts to match with your design! Play panels: Labyrinth, Roulette and Starfish
