- Dynamic *2*
- Meeting points *4*
- Play panels *4*
- Roofs *1*
- Slides *2*
- Towers *5*

Castle Laurentius provides children a venue for the most memorable imagination play. It is packed with exciting nooks, fun slides and multiple climbing and balancing activities. The unique, open structure of the main tower, rising to nearly four metres, offers a fantastic view to the surrounding landscape. Castle Laurentius' wooden frame blends beautifully in natural environments. It can also be customised according to your wishes by our MyDesign service.

User age	1+
Number of users	35
