

A metal swing set suitable for small children with one seat. Rocking stimulates the balance of the inner ear, which in turn develops motor skills and balance. Three color options: dark gray RAL 7024, grey RAL 9023 or unpainted hot galvanized steel. Seat should be ordered separately (160 cm chains, rubber or cradle seats). For a surcharge, you can order the foundation plate kit for non-concrete installation.

User age	1+
