

Metal swing frame with bird's nest seat. The bird's nest seat can be switched to the inclusive basket swing seat with only a small effect on the price. The frame has bearings for two other seats, eg. a rubber seats or a cradle seats, with 210 cm chains. Please inform us of the seat preferences when ordering the product. Three color options: dark grey RAL7024, grey RAL 9023, or unpainted hot galvanized steel. For a surcharge, you can order the foundation plate kit for non-concrete installation. Please note: in some markets the swing frame and the seats are sold separately. Contact your local representative for details.
