Xenon is an exciting multifunctional playground set with a tall slide and two 1,470 mm high towers. It can fit several children at a time. There are three forms of ascent: by ladder, climbing rope or peg ladder. Access from one tower to the other is via hanging monkey bars. The set provides enough of a challenge even for older children, while developing their motor skills and balance. There are three seats at the bottom.

User age	3+
Number of users	11
Product length, mm	3770
Product width, mm	4390
Product height, mm	2920
Impact area, m²	35.6
Falling space, m²	36.2
Height required, mm	3270
Max. free fall height, mm	1770
Safety info	EN 1176-1, 3 TÜV
Installation time (for 1), H	18
Foundation options	deep_mounting surface_mounting
Metal	
Colour of walls and HPL	
Ropes
