

	Climbing 3
	Play panels 1
	Slides 1
	Towers 2

Osmium is a multipurpose piece of playground equipment that will fit in a small space. It has two 1,470 mm high towers, one with a slide accessed by steps, and one that can be reached via a climbing net or ropes. Descent from the climbing tower is by fireman's pole. Beneath the other equipment is a wall with windows for playing shop or other games, which increases the set's imaginative potential.

User age	2+
Number of users	13
Product length, mm	2550
Product width, mm	5140
Product height, mm	2320
Impact area, m ²	30.4
Falling space, m ²	32.6
Height required, mm	3270
Max. free fall height, mm	1470
Safety info	EN 1176-1, 3 TÜV
