GIBBONSWING L

Multifunctional frame for hanging and other parkour moves. The set comprises two curved monkey bar sections. The bar height is 2,650 mm. It can also be used for jumping over or weaving through. The frame can also be used to practise the cat crawl. This product is particularly suitable for parks used by advanced parkour enthusiasts. The Cloxx Parkour products conform to the European Standard for Playground equipment EN 1176, so they are suitable for schoolyards and playgrounds
