PLAY PLANETARIUM

Play Planetarium is a unique play and learning environment that can fit at a time even a whole school class! The dome shaped multi functional play equipment consists of eight sections with different climbing functions such as nets, ladders and climbing walls. Explore the night sky inside Play Planetarium, as the stellar patterns are repeated accurately within the dome. Sunlight shines through the star shaped holes in the dome, and thus creates glittering stellar patterns on the dome ceiling. Children will learn to recognize different constellations and practice navigation with stars. Above the dome is made for climbing, which also promotes proven learning. A versatile and exciting play equipment is perfect for both school grounds and public parks.

User age	1+
Number of users	49
Product length, mm	4820
Product width, mm	4820
Product height, mm	2760
Impact area, m²	44.9
Falling space, m²	61.3
Height required, mm	4500
Max. free fall height, mm	2400
Safety info	EN 1176-1:2017
Installation time (for 1), H	28
Wood	
Metal	
Colour of walls and HPL	
Ropes
