The vertical cuboid has three nets that can be used to climb up to a height of over 3 metres – all the way to the horizontal cuboid on the next level. The transparent walls offer a great view of the surroundings, and the bird's nest swing and balancing ball are great places for observing. The long tube slide offers a fun, yet safe way of coming down. Tube slide available also in stainless steel.

User age	6+
Number of users	37
Product length, mm	6650
Product width, mm	4600
Product height, mm	6200
Impact area, m <sup>2</sup>	20.2
Falling space, m <sup>2</sup>	20.2
Height required, mm	6200
Max. free fall height, mm	1170
Safety info	EN 1176-1, 3 TÜV
Installation time (for 1), H	48
Foundation options	surface_mounting
