Luna, Interactive dance and play spot

Lappset Luna—an inclusive, high-tech playset that brings fun to any indoor space. Equipped with a movement detection sensor, Luna reacts to every move, fostering collaboration as players dance, play, and explore together. Perfect for play centres, YMCAs, malls, leisure centres, hotels, restaurants, and schools, Luna is fully accessible and supports over ten players at once. Step under Luna and be amazed by endless fun and interaction. Read more about the Lappset Luna here.
