

Toro Carefree pack

A worry-free delivery with our Carefree pack. Our products are designed to last. Made from premium materials to resist heavy use and outdoor circumstances. The online connection enables new firmware, features and games to keep play surprising and fun. We also use this connection to monitor usage to improve and provide the best service 24/7. All Lappset Interactive play systems come with a standard pack, but the Carefree pack adds three more warranty years to electronic parts for a worry-free experience. Please check the Lappset Interactive Warranty document for our warranty terms.
