Reach for the sky! This tower is nearly 7,5 meters high with multiple exciting play elements inside. With different climbing elements including net and platform climbing allows fun and engaging traversal to the top level. Bottom level allows younger generations to get accustomed to climbing and a traditional steel slide allows quick and easy but fun exit. In the middle section of the tower you can find the first tube slide. Continuing to the top level comes to a conclusion with a thrilling exit through the long tube slide with multiple turns. Needle and Sting are easily compatible together and with other Vertical Maze products to create a striking combination for your needs.
