

CT WALL ASHTRAY, STAINLESS STEEL

CT Wall ashtray is safe and nice way to serve also the smokers and to keep environment tidy. The small 25mm aperture together with tight construction keeps cigarette smoke inside the ashtray. The ashtray is emptied through locked bottom hatch using the same key as CT-litter bins use. The ashtray can also be used independently with own post CT-PARST to keep it away from walls, doors or shelters if wanted. Standard colors are RAL7024 and RAL6012 but many special colors are available for extra color fee. Also SST is available as standard. Height 500mm, diameter 120mm.

Metal
