

POST FOR CT TUBE ASHTRAY, PAINTED, SPECIAL COLOR

Special post for CT tube ashtray to be used alone without litter bin or wall fixing. Height 1200 mm, diameter 60 mm, material powder coated steel tube, please choose the color equal to ashtray color (standard RAL7024 and RAL6012, also available on SST and some special colors for extra color fee). Fits to the underground concrete clamp CT-C01 for deep mounting without wet concrete. The post has two fixing holes for the wall ashtray, like CT-AW7024, so separate clamps are not needed. 1200x60mm.
