

NA175535M

GOBLIN'S TRACK (ASTM CSA)

Goblin's Track (NA175535M) complies with the ASTM and CSA standards. The Goblin's Track is a balancing track consisting of 12 beams. It can fit several children at a time. Traversing the track develops the children's sense of balance and motor skills. The shape of the track fuels the kids' imaginations, turning it into a wide variety of things: horse pens, garages, rows of houses... Older kids may want to use the track just for hanging out.

Number of users	12
Product length, mm	4050
Product width, mm	2490
Product height, mm	440
Height required, mm	2240
Safety info	ASTM F1487, CSA Z614
Installation time (for 1), H	4
Foundation options	deep_mounting surface_mounting
Wood	
Metal
