

NA175550M

Goblin's Climbing (ASTM CSA)

Goblin's Climbing (NA175550M) complies with the ASTM and CSA standards. Climbing develops the climbers' fitness and motor skills. Besides climbing, the fun appearance of this climbing tree offers countless opportunities for play. All foundations are made of metal, sheltering the wood from direct contact with the ground to prevent rot and extend the products life.

Number of users	1
