

Little hut (NA175581M) complies with the ASTM and CSA standards. This adorable Little Hut is designed for children and is perfect for all types of games. The hut is open on one side, with two walls with windows, and a fence on the other three sides. The Little Hut is fun as a self-standing feature, as a group of Little Huts, or together with other Troll Village buildings. You can furnish it yourself or let children use their imagination with its interiors. Green window frames give a welcoming, bright accent of colour.
