CHILLOUT PALLET, DEEP MOUNTING WITH FOUNDATION PLATES

New Chillout furniture makes it easy to create relaxed and fun places to spend time and hang out in public parks, school yards, market places - or actually anywhere. Chillout product line consists of three different products - a pallet, a sofa and a stand, which can be placed in various combinations either alone or next to each other. Metal parts are made of ED-lacquered and powder-coated steel. Wooden parts are Linax-treated pine wood, making them dimensionally very stable.
