YARDEN CHAIR, swivelling

Yarden is a timeless design with soft roundish lines inviting to sit down and enjoy the moments outdoor. Yarden family contains three seater benches with and without backrest, one seater chair and a table. Wooden parts are tight northern pinewood with five standard painted colors and Linax oilimpregnation treatment as sixth color option. Metal parts have four standard colors but also customized special colors can be painted. Installation versions are deep mounting with long underground leg and surface standing with metal plate against the ground.The swivelling feature is fun but also useful if you feel that the chair and table are too close to each others.
