

NIFO BENCH 2-seater

Elegant Nifo family is a design with smooth and curved lines with good sitting comfort, even the tabletop is a bit rounded. Nifo is our largest bench family with one, two and three seaters with and without backrest and with and without handrests. Tables include round and square models. Wooden parts are tight northern pinewood with five standard paint colors and Linax oilimpregnation treatment as sixth color option. Metal parts have four standard colors but also customized special colors can be painted. Installation versions are deep mounting with long underground legs and surface standing with skids against the ground.
