

US175520

Goblin's Forest (ASTM)

The US175520 product complies with the ASTM Standard. Goblin's Forest is a multifunctional piece of playground equipment with many options that develop children's motor skills and are suitable for climbers of different levels. An exciting, long slide is guaranteed to give a thrilling ride. The fact that the various climbing sections are organised in the form of routes provides diverse forms of exercise and fosters the children's imaginations. The Goblin's Forest settles smoothly into its environment, and the imagination is the only limit beneath its lovely leafy roofs.

User age	5-12
Number of users	11
